COURSE SCHEDULE

Course ID: PG-DAC Sep-21   **Version: 1.0**   **Date: 22/09/2021**

Schedule for PG-DAC Sep-21

Week	To	From	Session 1	Session 2
1	22/09/2021	25/09/2021	Concepts of Programming & Operating System	Concepts of Programming & Operating System
2	27/09/2021	02/10/2021	Concepts of Programming & Operating System	Concepts of Programming & Operating System
3	04/10/2021	09/10/2021	Concepts of Programming & Operating System	Concepts of Programming & Operating System, LAB exam and Viva of OS
4	11/10/2021	16/10/2021	Database Technologies	Database Technologies
5	18/10/2021	23/10/2021	Database Technologies	Database Technologies, LAB exam and Viva
6	25/10/2021	30/10/2021	Object Oriented Programming with Java	Software Development Methodologies
7	01/11/2021	06/11/2021	Object Oriented Programming with Java	Software Development Methodologies
8	08/11/2021	13/11/2021	Object Oriented Programming with Java	Software Development Methodologies, with Project Discussion
9	15/11/2021	20/11/2021	Object Oriented Programming with Java	Software Development Methodologies, with Project Discussion
10	22/11/2021	27/11/2021	Object Oriented Programming with Java	Software Development Methodologies, with Project Discussion
11	29/11/2021	04/12/2021	Object Oriented Programming with Java , LAB exam and Viva	Algorithms and Data Structures Using Java
12	06/12/2021	11/12/2021	Algorithms and Data Structures Using Java	Algorithms and Data Structures Using Java
13	13/12/2021	18/12/2021	Algorithms and Data Structures Using Java	Algorithms and Data Structures Using Java
14	20/12/2021	25/12/2021	Algorithms and Data Structures Using Java	Algorithms and Data Structures Using Java
19	27/12/2021	01/01/2022	Algorithms and Data Structures Using Java	Algorithms and Data Structures Using Java, LAB exam and Viva
16	03/01/2022	08/01/2022	Web Programming Technologies	Web Programming Technologies

COURSE SCHEDULE

Course ID: PG-DAC Sep-21   **Version: 1.0**   **Date: 22/09/2021**

17	10/01/2022	15/01/2022	Web Programming Technologies	Web Programming Technologies, LAB exam and Viva	
18	17/01/2022	22/01/2022	Web-based Java Programming	Effective Communication	
20	24/01/2022	29/01/2022	Web-based Java Programming	Effective Communication	
21	31/01/2022	05/02/2022	Web-based Java Programming	Effective Communication	
22	07/02/2022	12/02/2022	Web-based Java Programming	General Aptitude	
23	14/02/2022	19/02/2022	Web-based Java Programming	General Aptitude	
24	21/02/2022	26/02/2022	Web-based Java Programming LAB exam and Viva	Microsoft.Net Technologies	
25	28/02/2022	05/03/2022	Microsoft.Net Technologies	Microsoft.Net Technologies	**Pr**
26	07/03/2022	12/03/2022	Microsoft.Net Technologies	Microsoft.Net Technologies	
27	14/03/2022	19/03/2022	Microsoft.Net Technologies	Microsoft.Net Technologies LAB exam and Viva	
28	21/03/2022	26/03/2022	Project	Project	
29	29/03/2022	02/04/2022	Project	Project	
30	04/04/2022	09/04/2022	Course End Exam	Course End Exam
